As the ENERGY STAR name and logo are registered marks belonging to the U.S. government, EPA must ensure they are used correctly to protect the integrity of the program they represent. Any partner that uses the name and/or logo improperly and fails to take product control measures per EPA's request may be subject to termination of its ENERGY STAR Partnership Agreement, and referred to EPA's Office of General Counsel.

Thank you for your prompt attention to this matter and your continued support of the ENERGY STAR program.
